

The Counseling Center

1022 W. 1st Street, Suite 206, Winston-Salem, NC 27101

Dear Client,

Thank you for choosing The Counseling Center. Please read all of this important information.
Keep this one sheet for your information.

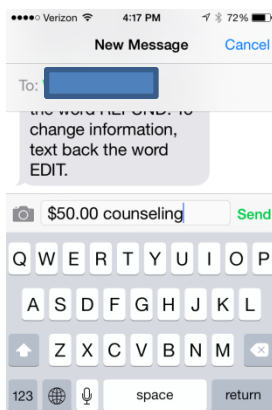

1- Please complete all forms in full and bring all of the pages with you to your session. If you need a copy of it we will be glad to provide that for you.

2- The Counseling Center strives to offer the best counseling experience possible. For this reason and in consideration to liability issues, we ask that you do not bring your child(ren) to the counseling session unless your child(ren) is the client or involved in the scheduled counseling session. Children over 13 may wait in the lobby by themselves if the parent deems them responsible enough to leave unattended. However, they will not be permitted to care for younger children there. We cannot guarantee the safety of your child(ren) while left unattended.

3- The Counseling Center is pleased to offer affordable rates for counseling. Therefore, should you need to cancel an appointment with Jan Elliott, please do so at least 24 hours before you are scheduled by emailing her directly at jan@thecounselingcenter.ws or by calling 336-661-8142. Otherwise you will be charged \$50.00 for the missed appointment and will not be able to reschedule until the fee is received.

4- Payments should be made at the time of your appointment. There are four methods in which we receive payment.

1. Cash – Deposited in an envelope indicating your name, name of counselor, amount paid and placed in payment box.
2. Checks – Payable to “The Counseling Center” and placed in payment box near the reception door.
3. Square – Your credit or debit card will be swiped.
4. Text Giving – You will have to set up an account one time with this SECURE way of giving. Send a message to text giving at 336-777-7100 and follow the instructions. Enter in the payment amount followed by the word “counseling”. Then forward your confirmation email that shows you paid to: jan@thecounselingcenter.ws.

If you have any questions about this information please feel free to call the office.

Thank you for this opportunity! We look forward to working with you!

Professional Disclosure Statement & Informed Consent

Qualifications

Graduating in May of 2015, my Master's degree is in Clinical Mental Health Counseling with a pending Certificate of Graduate Studies in Marriage and Family Therapy from Regent University. My undergraduate degree, received in 1995 from Elon College, is in physics and secondary science education, with a minor in mathematics. Prior to my graduate studies in counseling, I have performed lay counseling as a youth minister in two Christian churches for fifteen years. Currently, I am operating as a Licensed Professional Counselor Associate (LPCA), License # A11915, with the North Carolina Board of Licensed Professional Counselors, and operate under the supervision of Jennifer Locklear, LPCS, to acquire 3000 hours that are required for unrestricted licensure in the State of North Carolina.

Counseling Background

I have worked with children, teens, and families for the past sixteen years, first in an educational capacity and then in roles more closely associated with counseling and mentorship. I began studying counseling in the fall of 2011 as a full-time graduate student. Coursework has included family systems, marital conflict, crisis, career, human sexuality, and addictive behaviors counseling. My practicum has involved counseling domestic violence survivors, sexual assault victims, and individuals with dual diagnoses. My internship at The Counseling Center has included clients from all demographic backgrounds of the Winston-Salem area seeking counseling for a variety of concerns. Serving those in need and helping teens and families achieve their maximum potential in well-being is my focus.

My theoretical orientation is primarily person-centered and cognitive-behavioral therapy. In an atmosphere of empathy, authenticity, and unconditional positive regard, cognitive-behavioral therapy allows you to see that you can have control over your thoughts and actions when they are leading you to discouraging behaviors and miserable feelings. The goal is to bring you to a point where you no longer need counseling, but can work through issues on your own. If at any point you feel the counseling process is not successful, you may end the relationship at any time. If you encounter an emergency situation when the office is closed, please call **911** or the **Forsyth Medical Crisis Response Team at 1-800-718-3550**.

Fee Schedule and Length of Session

The designated fee for my services is \$50.00 per 50-minute session for individuals or couples. It is our desire at The Counseling Center to not turn anyone away that may need counseling. I am not a salaried employee of Christ Family Church who we are affiliated with, so I receive my income through my fees. I am currently working at The Counseling Center located at 1022 W. 1st Street, Suite 206, Winston-Salem, NC 27101. If you need to cancel or reschedule your appointment please contact us at (336) 661-8142 at least 24 hours prior so you will not be charged.

I accept payment in cash, check, text giving and credit card which is due at the time of services. There is a lock box with a mail slot on top in the main counseling hall hanging on the wall near the reception door. I appreciate you going to the lock box with your fee unless you want me to swipe your credit or debit card using a Square. We do not accept insurance at this time, however if you would like to attempt to submit paperwork on your own to your insurance company to be reimbursed, I will gladly sign and include your diagnosis if one applies.

Use of Diagnosis

Some health insurance companies will reimburse clients for counseling services and some will not. In addition, most will require a diagnosis of mental-health condition and indicate that you must have an "illness" before they will agree to reimburse you. Some conditions for which people seek counseling do not qualify for reimbursement. If a qualifying diagnosis is appropriate in your case, I will inform you of the diagnosis before we submit the diagnosis to the health insurance company. Any diagnosis made will become part of your permanent insurance records. I also use diagnosis in order to ascertain how to best treat my clients.

Confidentiality & the Counseling Relationship

All of our communication becomes part of the clinical record, which is accessible to you upon request. I will keep confidential anything you say as part of our counseling relationship, with the following exceptions: (a) I am currently under supervision of licensed professionals that will review my work in sessions either by doing co-therapy, videotaping the session, or audiotaping the session to discuss later in supervision with my licensed professional counselor supervisor:

Jennifer B. Locklear, MS/EdS, NCC, LPCS, LCAS, ACS, CCI, ICAADC, RYT200, BCPC
6620 Shallowford Road, Suite 200, Lewisville, NC 27023
(336) 945-0137 Jennifer@lewisvillefamilycounseling.com

(b) you direct me in writing to disclose information to someone else, (c) it is suspected you are a danger to yourself or others (including child or elder abuse), (d) I am ordered by a court to disclose information, or (e) if you are sent by your employer that requires a limited amount of information including attendance to sessions.

Due to the fact that I believe confidentiality is of utmost importance for my clients, including children, I do not counsel children that have parents involved in a custody situation if the parents are seeking my services as information for the court. My role is to act as the child's helper and not to ally with any disputing party regarding the child. Counseling is for the purpose of the child's emotional well-being and does not yield recommendations about custody issues.

Although our session may be very intimate psychologically, it is important for you to realize that we have a professional relationship. Our contact will be limited to the sessions you arrange with me. It is vital for you to know that if I see you in public, I will protect your confidentiality by greeting you only if you greet me first.

Complaints

Although clients are encouraged to discuss any concerns with me, you may file a complaint against me with the organization below should you feel I am in violation of any of these codes of ethics. I abide by the ACA Code of Ethics (http://www.ncblpc.org/Laws_and_Codes/2014%20ACA_Code_of_Ethics.pdf).
